Happy Thanksgiving!

Hello Ladies,

Happy *"Turkey Day"* to you and yours!

Thanksgiving is one of my favorite times of the year. This special Holiday is set aside for us to pause from our busy schedules and to celebrate with our families and friends and be truly thankful for our many blessings.

You, the Ladies of our small but mighty Chapter #341 are one of my many blessings! I want to *"Thank You"* for being such wonderful role models. Caring, supportive, loyal, witty, smart, determined, creative, hard working beautiful women inside and out are just a few of the attributes that I witness at every meeting or event that we share.

"You" have encouraged me at every bump in the road and covered me when the rain came, but most of all "You" inspire me to be a better woman in my professional and personal life!

Please continue to keep Connie and family in your prayers and thoughts. They are dealing with many challenges at this time.

I look forward to seeing everyone next month for our winter train adventure. May you have a safe and very Happy Thanksgiving!

and.....**"TOGETHER WE CAN"**
