CLAYCO

2199 Innerbelt Business Center Dr.
St. Louis, MO 63114

CLAYCO

THE ART & SCIENCE OF BUILDING

Enjoy networking and dinner with other women working in the construction industry. There will also be a panel discussion with several women who have been in the industry for over 20 years!

RSVP for this event by emailing nawicstl@outlook.com

NAWIC

Making a Measurable Difference

What is WIC Week?

The focus of Women in Construction (WIC) Week is to highlight women as a visible component of the construction industry. WIC Week also provides an occasion for NAWIC's thousands of members across the country to raise awareness of the opportunities available for women in the construction industry and to emphasize the growing role of women in the industry. It is also a time for local chapters to give back to their communities.

**Women in Construction Week
March 4-10, 2018**
