### About the Speaker

#### **Jennifer Fischer** Senior Pharmacy Consultant USI Insurance Services

Jennifer's responsibilities include analyzing prescription drug information to create and assist with delivery of financial solutions for select clients and prospective clients with self-funded medical plans. Jennifer assists USI Health and Welfare consultants lower the cost of pharmacy benefits by aligning PBM contracts with the best interests of USI clients and their employees. The USI goal is to create transparency within the PBM industry and maximize cost efficiencies.
